

Roadsoft User Group – Online Meeting

Tuesday, August 6, 2019 – 10 A.M. to 12 NOON

Your feedback makes a difference! Roadsoft is customer-driven, so your suggestions for new features and improvements help decide what changes are made in Roadsoft. If you have an idea, come to the meeting and share your thoughts. Roadsoft will become better when your new and innovative ideas are shared with our development team.

Overview

The purpose of the Roadsoft User Group is to discuss progress on the Roadsoft 2019 work plan and, perhaps more importantly, to discuss ideas for the 2020 work plan.

The Center for Technology & Training has compiled a list of feature requests gathered throughout the year and will be presenting the list for customer feedback and comments.

Agenda

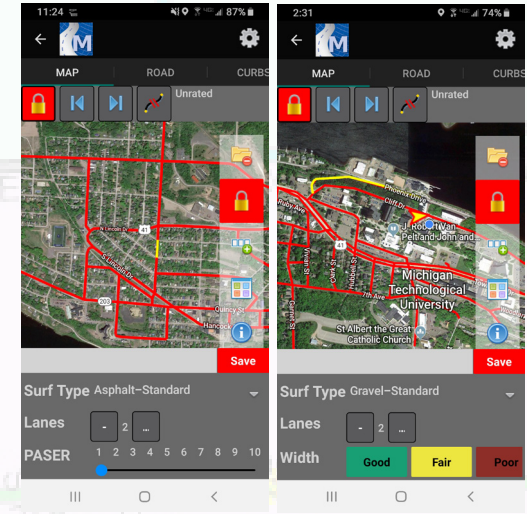

- ▶ Updates on 2019 Roadsoft work plan progress
- ▶ Discussion of the 2020 Roadsoft work plan
- ▶ Framework/migration update
- ▶ Questions and feedback

Registration

No fee to attend.

Register online or visit ctt.mtu.edu/training for a list of all upcoming events.

Questions? Email ctt@mtu.edu

The new Roadsoft Mobile Road Module allows customers to collect road condition data on paved and gravel roads using both the PASER and IBR methods, respectively.
