Dear Local Official:

Subject: Local Agency Safety Peer Exchange Travel Reimbursement

The Michigan Department of Transportation (MDOT) is pleased to announce the availability of funds for local agencies to use if attending the Local Agency Safety Peer Exchange. The Peer Exchange will be held at the MDOT Aeronautics Building in Lansing, Michigan, on October 11, 2018.

MDOT will provide reimbursement for local agencies located more than 100 driving miles from Lansing to send up to two employees to the Peer Exchange. Additional attendees may request to be added to a waitlist for any remaining reimbursement funds following the Peer Exchange. Expenses eligible for reimbursement include lodging, meals, and mileage costs associated with attending the Peer Exchange.

Requirements for reimbursement are:

1. Email MDOT at blazop@michigan.gov to request approval for reimbursement prior to the Peer Exchange. Attendees will be added to the reimbursement list on a first come basis based on the date of the email request.
   a. Provide the attendee(s) name, agency, telephone number and email. Reimbursement can be directed to the attendee or the attendee’s agency, but not both.
   b. Provide the estimated travel start date along with the estimated travel end date. Reimbursement will be based on actual travel costs as described below.

2. Attendee or attendee’s agency must be registered to receive payments from the State of Michigan through the SIGMA Vendor Self Service (VSS). Registration can be completed online at https://sigma.michigan.gov/webapp/PRDVSS2X1/AltSelfService. Attendees wishing to be reimbursed as individuals must be registered using their social security number as their tax ID number. A user guide for creating new registrations in SIGMA is included for your use.

3. Following the Peer Exchange, attendees will be provided with a travel reimbursement form. Complete the travel reimbursement form and email it or mail it, along with all receipts to Pamela Blazo at blazop@michigan.gov or MDOT Local Agency...
4. Items allowable for reimbursement include:

   a. Actual mileage driven from the attendee’s workplace to and from the conference site at the 2018 IRS premium mileage rate of $0.535.

   b. Lodging at a maximum of $75 per night, plus tax.

   i. A block of rooms has been set aside at the Quality Inn Suites, 901 Delta Commerce Dr, Lansing, 517-886-0600, with a limited number of rooms at rate of $75/night for October 10th and 11th. Please mention the Local Road Safety Peer Exchange when making your reservations. You can also make reservations online. Please note rooms need to be booked by the cutoff date of Monday, Sep 24, 2018 or they’ll be released to the general public.

   c. Meals will be reimbursed based on actual costs with receipts limited by the following maximums. Lunch on October 11, 2018 will not be eligible for reimbursement as it will be provided. Alcoholic beverages will not be reimbursed.

   i. The maximum meal reimbursement for breakfast will be $8.50. Travel must commence prior to 6:00 am and extend beyond 8:30 am.

   ii. The maximum meal reimbursement for lunch will be $8.50. Travel must commence prior to 11:30 am and extend beyond 2:00 pm. Lunch on October 11 is not eligible for reimbursement.

   iii. The maximum meal reimbursement for dinner will be $19.00. Travel must commence prior to 5:30 pm and extend beyond 8:00 pm.

If you have any questions or would like to request approval for reimbursement, please contact Pamela Blazo at blazop@michigan.gov or 517-335-2224.

Sincerely,

Ryan P. Doyle

Introduction

The State of Michigan (SOM) Vendor Self Service System (VSS) allows you, as a vendor/grantee or payee to manage your account information, view and create financial transactions, including payments and Procurement Business Opportunities. (For detailed information on the SIGMA VSS Grantee functionality, please see the State of Michigan Grantee User Guide shown on the SIGMA VSS Home Page.)

This VSS training guide provides detailed instructions for registering a new account and modifying your existing account.

(Note: State of Michigan existing vendors should refer to the State of Michigan Vendor Self Service (VSS) Existing Account Activation guide for user instructions.)

Key Information

- To avoid browser compatibility issues, SIGMA VSS is best viewed with Internet Explorer 11 and Firefox 3.5 or 3.6. Please disable your pop-up blocker in order to access all parts of the site. Watch for browser updates in the Announcements section of the VSS Home Page.

- Within the various SIGMA VSS pages Frequently Asked Questions (FAQs) links are available to provide additional user information. These are located on the left side column of the application as a link to select. When navigating from one tab to another the frequently asked questions will update to correspond to the page being viewed.
Section 1: Register New Vendor Account

Step 1.1 Select **Register** to create new account.

Step 1.2 Review Memorandum of Agreement information and select **Accept Terms** to accept the agreement or **Reject Terms** to reject the agreement.

VSS returns to VSS Home page when Reject Terms is selected.
Step 1.3 Select **Next** to continue or **Back** to return to previous screen.

Step 1.4 Use either of the two (2) fields under **Company Search** or **Individual Search** to enter your information. (This step will let you know if you are already registered.)

Step 1.5 Select **Search** to search for an Existing Account.
If no results are found, continue on to Step 1.6. (If results are found, continue to Sections 2 - 6 of this guide and follow steps for viewing and modifying your existing account.)
Step 1.6 Select **New Registration** to begin registration.

Step 1.7 Enter User Information in General Information. Required fields are marked with an asterisk symbol:
Step 1.8 Enter your Password and security question information in the **Password** section.

Passwords must be between 8 and 16 characters. Password must contain a number, an upper case letter, a lower case letter and one of the following symbols: @ $ # %. The password cannot contain the User ID and it cannot contain the word **password**.

Step 1.9 Select **Next** to continue.

Verify Email Address is correct.

Step 1.10 Select **Next**.
Step 1.11 Select **Close Browser**.

Your registration is started but your account is not active yet.
1.1: Verify Your Personal Email Address

VSS sends a verification email to the email account entered in Step 1.7. A message similar to the message shown below will appear in your Inbox. Follow the instructions as shown below to access VSS.

Step 1.1.1 Access your email account entered in Step 1.7.

Step 1.1.2 Select the link to access VSS.

![Image of verification email]

VSS transitions to the SIGMA Vendor Self Service Login Screen.

Step 1.1.3 Enter your User ID and Password.

Step 1.1.4 Select **Login**.

![Image of login screen]

VSS transitions to the VSS New Account screen.
1.2: Complete New Vendor Account Information

The Add Business Location – New Account Registration section is used to enter your Tax Identification Number (TIN) Type and Business Classification information.

Enter required New Account information for Tax Identification Number (TIN) Type or EIN and Classification in the New Account Information section. (Please Note: EIN Type and Corporation Classification are used as an example in this guide.)

Step 1.2.1 Select the appropriate TIN Type option. (If the first option is selected, also select SSN, ITIN, or ATIN below it.)

Step 1.2.2 Select the appropriate Classification Type.

VSS will close or place a check mark in the box as you complete each section.
VSS defaults to **No** option for non-Healthcare Providers.

Step 1.2.3 If Healthcare Provider, select **Yes** and continue.

Step 1.2.4 Select **Next** to continue.

VSS continues to the My Business Information section.

My Business Information section is used to enter your Location Verification and Organization Information.

Note: Some of the fields are pre-populated from questions you previously answered.

Step 1.2.5 Enter information for Vendor Verification Based on; Vendor Verification Password; Confirm Verification Password fields.

Use of word “Password” is used as an example in “Verification Based On” field. Vendor may enter any word or text of choice in the “Verification Based On” field.

**Healthcare Provider Instructions:**

Step 1.2.5.1 Enter National Provider Information (NPI) in the National Provider ID field.
Step 1.2.6 Enter your Legal Name; 1099 TIN; and Legal Address Information in the required fields (red asterisk symbol).

Note: Some of the fields are pre-populated from questions you previously answered.

The EFT (Electronic Funds Transfer) section is used to enter your banking information.

Step 1.2.7 Enter bank’s ABA Number, Select Account Type and Enter your Account Number.
**Healthcare Provider EFT Enrollment Instructions:**

Step 1.2.7.1 Enter Financial Institution Information.

Step 1.2.7.2 Select appropriate Account Number Linkage to Provider Identifier. Example: Provider Tax Identification Number (TIN)

Step 1.2.8 Select **Next**.
VSS validates the address entered against an external database of valid postal code standards. A Postal Code Standards message is presented at the top of the screen. The system defaults to the Corrected Address as shown by the check mark. You have the option to use the Original Address as entered or accept the Corrected Address option.

Step 1.2.9 After choosing correct address, select Next to continue.
Step 1.2.10 Select **Yes** or **No** to respond to the three questions on the Address Information Questionnaire screen.

Step 1.2.11 Select **Next**.
VSS transitions to the Addresses & Contacts section.

Step 1.2.12 Read the user instructions at the top of the screen carefully before continuing with entering your Address and Contacts information.

Step 1.2.13 Enter phone number in the Phone field in Address Information section.
Step 1.2.14 Enter required information for Principal Contact and Phone. Email address is not required, but preferred.

Step 1.2.15 Select **Next**.
The Additional Business Section is used to **Add** information for Attachments, Commodities, Business Types and Service Areas.

Step 1.2.16 Select **Add** to add commodities to your account. Adding commodities to your account gives you the ability to receive email notifications regarding State of Michigan Business and Grant Opportunities. (See SIGMA VSS Grantee User Guide for more information related to grant commodity codes.)
VSS displays screen for selecting commodity code types.

For a **Quick Search** of the Commodity page, you may use the asterisk symbol before and after at least one or two words that describe your commodity type. (Example: *printing services*)

Step 1.2.17 Enter your commodity description in Commodity Description field.

Step 1.2.18 Select **Browse**.

VSS returns results for Printing Services.
Step 1.2.19 Select (check mark) any commodities for which you would like to receive email notifications regarding State of Michigan Business and Grant Opportunities.

Step 1.2.20 Select OK.
VSS adds selected commodity to Additional Business Information section. Instructions for adding Business Type and Service Areas to your account are covered in Section 2 – View and Modify Account Information.

Step 1.2.21 Select **Next** to continue.

VSS transitions to Registration Summary Screen.
Use the vertical scroll bar to review the information. The Update Information links on the right hand side can be used to edit/change your information before completing the registration.

Step 1.2.22 Select **Submit Registration** to complete and submit the online vendor registration form.
The IRS Perjury Statement popup appears.
1.2.23 Review the IRS W-9 Perjury Statement.
1.2.24 Select OK to continue.

The VSS EFT Perjury Statement popup appears.
Step 1.2.25 Review the EFT Perjury Statement.

Step 1.2.26 Select OK to continue.

The VSS Thank You! page appears.

1.2.27 Keep a record of your new Vendor Customer ID. (Ex: VS0001058).

1.2.28 Download your Substitute W-9 form for your record.

1.2.29 Select Print this Page to print hard copy of your registration form.

1.2.30 Select the red X to close the Browser.
1.2.31 Access the VSS link to return to the VSS Home Page.
1.2.32 Enter your User ID and Password to access your new vendor account.
1.2.33 Select Login to access your account.
Section 2: View and Modify Your On-line Vendor Account Information

Step 2.1 Enter your User ID and Password.

Step 2.2 Select Login.

VSS transitions to your Account Summary screen.
Step 2.3 Select the vertical scroll bar on the right side of your screen to review your Account Summary for Announcements, Primary Account Administrator, Account Information, EFT Information and more.

![Account Summary](image)

Step 2.4 Select the Business Info tab.

Step 2.5 Select the vertical scroll bar on the right side of your screen to review your My Business Information for Headquarters Information, Organization Information, Legal Name Information, 1099 TIN Information and more.
Step 2.6 Select the **Addresses & Contacts** tab.

Step 2.7 Select the vertical scroll bar on the right side of your screen to review your Addresses & Contacts for **Payment and Ordering**. You can also create new or update existing addresses and contacts on this page as well as view pending changes.
Create a new Ordering address.

Step 2.8 Select **Assign/Create Addresses & Contacts**.

VSS transitions to the Addresses & Contacts Update page.

Step 2.9 Select Address Type (ex: Ordering).
Step 2.10 Enter **Active From** date.

Step 2.11 Enter **Address** information in Address section.

Step 2.12 Select **Next** to continue.

VSS validates the address entered against an external database of valid postal code standards. A Postal Code Standards message is presented at the top of the screen. The system defaults to the **Corrected Address** as shown by the check mark. You have the option to use the Original Address as entered or accept the Corrected Address option.

Step 2.13 Accept the **Corrected Address** format or check mark the **Original Address** format.
Step 2.14 Select **Next** at top of page.

VSS transitions to Step 2 of 3 for Assign/Create Addresses & Contacts.

Step 2.15 Enter required Principal Contact information in Principal Contact section for a new contact. If Principal Contact is same as existing contact, use the Find key to search for and select same Principal Contact.

Step 2.16 Select **Next**.
VSS updates Addresses & Contacts section for Address Type, Principal Contact ID and Address ID.
Step 2.17 Select the vertical scroll bar on right side of screen to see updated Principal Contact information. (Vertical scroll bar not shown on screen shot below, but should appear on your screen.)

Step 2.18 Select **Save** to continue.
VSS updates the **Addresses & Contacts** tab with new contact information.

Step 2.19 Select **View Pending Additions** to see pending Contact information.

VSS displays **View Pending Additions – Addresses & Contacts** information.
Step 2.20 Select **Back** to exit the page.

The next few steps provide instructions on modifying/updating existing address information on the Addresses & Contacts page.

Step 2.20.1 Select **View/Update** link in the Update Addresses section for the address you wish to modify/update. (The Payment Address is used in the example.)

VSS transitions to the View/Update Available Address page.

Step 2.20.2 Modify the address as necessary. (The Street 1 Address will be changed to 2100 Canal St in the example.)
Step 2.20.3 Select **Save** to save change.
VSS transitions to the Addresses & Contacts page and places a check mark in the Pending Changes field. Updates to your account will be reflected after VSS has completed its routine automated update cycle. The automated update cycle runs every two (2) hours 8 AM to 5 PM EST State of Michigan business days.

Step 2.21 Select the **Users** tab.

Step 2.22 Select the **My Profile** link on the left navigation panel to view your Account Profile.

VSS transitions to My Profile page.
The My Profile page is used to view or modify your account for General Information, Security Hint, Email Notification types, and Access Levels. **Modify** is used to make edits/changes. The **Password Reset** is used to change your password.

Step 2.23 Select the **Account User** link to navigate back to Account User page.

VSS displays the Account Users page.
Step 2.24 Select the **Commodities** tab.

The Commodities page is used to add new Commodity Items for which you are interested in receiving solicitation notifications or delete existing commodities that you provide.

Step 2.25 Select the **Business Types** tab.

The **Business Types** page is used to add your Business Type to your Account.

Step 2.26 Select **Add Items**.
VSS transitions to the Business Type Choose page.

Step 2.27 Select **Next** to view Business Types options.

Step 2.28 Select your Business Type. (Example: Professional Service.)

Step 2.29 Select **OK** to continue.

VSS transitions to Enter/Update – Business Types page and displays your selected Business Type.
Step 2.30 Select **Cancel** to leave this page. Certification information is not required by State of Michigan.

VSS displays the View Pending Additions – Business Types page. Updates to your account will be reflected after VSS has completed its routine automated update cycle. The automated update cycle runs every two (2) hours 8 AM to 5 PM EST State of Michigan business days. Updates/changes to vendor TIN or 1099 information is updated after it has been reviewed and approved by State of Michigan Vendor Customer Support Center.

Step 2.31 Select **Back** to return to the Business Types page.

VSS displays the Business Types page. Request to add new Business Type that is awaiting automated approval can be viewed by selecting the **View Pending Additions**.
Request to update an existing Business Type that is awaiting automated approval can be viewed by clicking **View Pending Changes**. Training example reflects View Pending Additions.

Once the Add Business Type request has been processed and approved, your account Business Types page will update with your new Business Type. This is illustrated in next screen shot example. (Example: PROF for Professional Service). Business Types updates and deletions can be made from this page.

Step 2.32 Select the **Service Area** tab.
Service Areas page is used to add Service Areas to your profile. Service Areas page lists State of Michigan counties for which you may provide goods or services (commodities). Service Areas also includes Statewide, Lower and Upper Peninsula.

Step 2.33 Select **Add Items** to see list of State of Michigan Service Areas.

VSS displays the Service Areas Choose page.

Step 2.34 Select your Service Area.

Step 2.35 Select **OK**.
VSS displays the Service Area page.

Step 2.36 Select **View Pending Additions** to view pending additions.

Similar to the Business Types update, VSS displays View Pending Additions – Service Areas page that shows the Service Area you have selected to add to your vendor record.

Step 2.37 Select **Back** to continue.
Step 2.38 Select the **Attachments** tab.

The Attachments page is used to Add new attachments to your vendor record or view existing attachment. Attachment file size is limited to 6 MB per document.

Step 2.39 Select the **W-8 Forms** tab.

VSS displays the W-8 Forms tab.

The W-8 Forms tab is used by Foreign Vendors. It will display existing W-8 Forms associated with the foreign vendor account. This section is used to Add Items or View/Update existing form information if available.

Refer to Section 7 – Register Foreign Vendor registration instructions if Foreign Vendor.
Section 3: View Financial Transactions

Step 3.1 Select the Financial Transactions tab.

Review the Agreement Summary Search options displayed to search for, reference and download your information.

Step 3.2 Select the drop-down list to see the options for Agreement Type. Examples: Contracts, Delivery Orders, Master Agreements and Purchase Orders. Note: Grant agreements will be listed as Contracts.
Step 3.3 Select **Purchase Order** from the Agreement Type drop-down list.

Step 3.4 Select **Search**.

VSS displays Purchase Orders in the grid below.

The grid displays the Agreement Type, Department, Agreement ID, Transaction Date, Not to Exceed Amount and more.
VSS returns results for Agreement Type selected. (Example: Purchase Order)

Step 3.5 Select the Purchase Order you wish to view.

Choose one of the options: Details, Download, PDF or Reference to see more information on the Purchase Order.

Step 3.6 Select Details.

VSS displays the Agreement Information page.
Step 3.7 Select the vertical scroll bar on the right side of your screen to view more details about your order.

Additional information displays for Shipping & Billing, Buyer’s Info and Commodity Line/Grant Information.

The Ship To: Bill To and Additional Details links can be used to see more information on your order.

Step 3.8 Select the Reference link to view payment information for your order.
VSS displays the Referenced Payments by Agreements page.

The Checks/EFTs grid below displays information for: Invoice Number, Invoice Line Number, Invoice Received Date, Check/EFT (Electronic File Transfer) Number, Payment ID, Status, and Amount.

Step 3.9 Select the **Details** link to view more detail and use the Navigation links at the top of the page to navigate back to Agreement Summary, Agreement Information and Agreement References.
VSS displays the Check/EFT Information Details page.

Step 3.10 Select the vertical scroll bar on the right side of your screen to view more details about your Check/EFT Information. (Vertical scroll bar is not shown on screen shot below, but should appear on your screen.)
Step 3.11 Select the **Scheduled Payments** tab.

The VSS Scheduled Payments tab is used to view scheduled payment information for invoices and funding requests. Refer to the View Frequently Asked Questions link on the left navigation panel for more information on Scheduled Payments functionality.

Step 3.12 Select **Search** to view all Scheduled Payments, if any, or enter specific search criteria in the fields shown. (Example: Invoice/Request Number, Address ID, Department, Payment Scheduled From, Payment Scheduled To, Payment Status fields.)

Step 3.13 Select the **Checks/EFTs** tab.

VSS displays the Checks/EFTs Summary Search page.
This page is used to search for Checks/EFTs information by Check/EFT Number, Check/EFT Status, Payment From and Payment To Date range.

Step 3.14 Select **Search** to view all Check/EFTs information or enter specific search criteria in the Check/EFT Number, Check/EFT Status, Payment From and/or Payment To fields.

VSS displays Checks/EFTs information on the grid below.
Step 3.15 Select the Check/EFT you wish to view.

Step 3.16 Select Reference.

VSS displays the Referenced Agreements by Check/EFT page. This page displays agreement (purchase order) information related to the Check/EFT selected.

Step 3.17 Select View Details to view detailed information related to the Check/EFT.
Step 3.18 Select the vertical scroll bar on the right side of your screen to see more details about the disbursement. (Vertical scroll bar not shown in screen shot below, but should appear on your screen.)

The Payment Allocation by Line section displays information for Department, Invoice Number, Payment and Net Payment Line Amounts. (Reminder: The Additional Details link can be used to view information on referenced items and date by Line Detail.)

Step 3.19 Select the Checks/EFT Summary Search link at the top of the page.
VSS returns to the Checks/EFT Summary Search page.

Step 3.20 Select PDF to download the remittance information related to the check you have selected.

VSS downloads the Remittance Advice form.

The Remittance Advice forms displays Check/EFT Number, Check/EFT Date, Check/EFT Number, Vendor Code, and more.
Step 3.21 Select the **Tax Information** tab.

VSS displays Tax Information Search page. Tax Information page is used to search for Tax Forms previously issued to you.

Step 3.22 Enter Tax Year in the Calendar Year field.

Step 3.23 Select **Search**.

VSS displays Calendar Year tax information on the grid shown below.
Step 3.24 Select the **Invoices/Requests** tab.

VSS displays the Invoices/Request Summary Search page. Similar to Checks/EFTS tab and functionality, vendors use the Invoices/Requests tab to search for existing invoices or create new invoices that will reference an agreement (contract) or purchase order.

Note: Create Invoice/Request functionality can also be accessed from the Agreements Tab as shown in the screen shot below:

The next few steps cover instructions on how to “Create Invoice for Grant Funding Request (GFR)” for Grants users (grantees).

There are four steps for completing an invoice (GFR):

- Header Information
- Line Information
- Comments/Attachments
- Funding Request Summary

Step 3.25 Select **Search** to search for Agreement Types equal Contracts.

VSS returns results for Contracts.
Step 3.26 Select (check mark) the Contract for which you will create an invoice/request.

Step 3.27 Select **Create Invoice/Request**.
VSS transitions to Header Information tab.

Step 3.28 Enter Total Amount requested in the Total Amount field. (Example: 1000 for $1000.00)

Step 3.29 Select Go to Next Step.

VSS transitions to Component Information tab.

Step 3.30 Select the Line Number (Line No) in Component Information tab.

Step 3.31 Enter Amount in the Amount field. (Example: 1000 for $1000.00)

Comments are optional.

If there are multiple components they will show up within this section. Once the Line No (number) is chosen, the amount field will be open to add the amount requested. The current amount remaining will default into this field. If not requesting the full amount remaining, remove the amount and enter in the correct amount. If Budget type categories (sometimes used in grants functionality) are used, choose the drop down to include each amount requested by category. If category is blank there is no specific budget category defined. If another line is needed for another category select Add Line and continue. There are options to add/delete lines as you need them. Note: may receive warning message related to funding request if the amounts do not match or the request is not for the full amount remaining. These are warnings only.

Step 3.32 Select Go to Next Step button.
VSS transitions to Comments/Attachments tab.

Step 3.33 Select **Attach Files**. Most requests will require additional documentation which should be attached here.

Step 3.34 Select files to attach by selecting Browse and Attach Files. Files attached will display within Comments & Attachment section when added (see screenshot in Step 3.35.)

VSS displays Add Files page.
Step 3.35 Enter additional comments for the overall request in the Comments section. (Comments are limited to 60 characters.)

Step 3.36 Select **Go To Next Step**.

VSS transitions to Funding Request Summary tab.

Step 3.37 Review Funding Request Summary information.

Step 3.38 Select **Submit**. (Optionally, select Cancel Request to cancel or select **Previous** to go back to prior sections for updating information.)
VSS transitions to Thank You! page.

The Thank You! page displays additional information on how to check status of your request.

Use the **Print** to print a copy of your Grant Funding Request.

Similarly, the same steps used to create Grant Funding Request are followed to create an invoice for an open purchase order.

Step 3.39 Select **Search** to search for existing purchase order for which you would like to create invoice.
VSS displays list of purchase orders as shown below.

Step 3.40 Place a check mark by the purchase order line.

Step 3.41 Select **Create Invoice/Request**.

Repeat the steps 3.28 – 3.38 to complete and submit the invoice. If you need assistance with this process, please contact the SIGMA Help Desk.

The next few steps cover **Search for Existing Invoices**.

Step 3.42 Select **Invoices/Requests** tab.

Step 3.43 Select **Search** to search for existing invoices.
Step 3.44 Select the Invoice line you wish to view.

Step 3.45 Select Reference.

VSS displays Referenced Transactions by Invoice/Request page.

Step 3.46 Select Details.
VSS displays more detailed information about the invoice selected.

Step 3.47 Select the vertical scroll bar on the right side of your screen to see more information, including Commodity information.

Step 3.48 Select the **PDF** link in the Agreement ID area of the page.

VSS displays a PDF version of the Notice of Award Final.
Step 3.49 Select **Exit** to close the Notice of Award Final PDF.
Section 4: View Business Opportunities/Solicitations

Step 4.1 Select the **Business Opportunities** tab.

A summary of all Solicitations can be found by selecting the Solicitations sub-tab under the Business Opportunities tab. This list contains all Solicitations. From here, you can view summary and detailed information about the Solicitations. You can refine your search for solicitations by selecting one of the following quick links:

- All Solicitations - View all solicitations in the system. This is the default view.
- My Commodities - View solicitations only for your registered commodities.
- Open Solicitations - View solicitations with the solicitation status of Open.
- Closing Soon - View solicitations that are closing within the next 10 days.
- Recently Published - View solicitations that have been published within the past 7 days.
- Recent Amendments - View solicitations that have been amended within the past 14 days.
- Recent Intents - View solicitations that have Intent to Award created for them in the past 14 days
• Recent Awards - View all solicitations that have been awarded in the past 14 days.

Step 4.2 Select the **Advanced Search** link.

Advanced Search

You can refine your solicitation searches by using the Advanced Search link on the Search for Solicitations page. Selecting the Advanced Search link allows you to narrow your search using the following search criteria:

- **Keyword Search** - Narrow the search using a term in the text field. The Keyword Search scans the Solicitation Number, Solicitation Description, Department, Commodity Description, and Buyer Name for the keyword.
- **Status** - Narrow the search by selecting a solicitation status from the drop-down menu to display solicitations with the selected status.
- **Type** - Narrow the search by selecting a value from the drop-down menu to display solicitations with the selected type.
- **Category** - Narrow the search by selecting a category from the drop-down menu to display solicitations with the selected Solicitation Category.

Step 4.3 Enter your information in the Advanced Search fields.

Step 4.4 Select **Go** to search.

4.1: Respond to Solicitations

Step 4.1.1 Choose the solicitation to which you will respond.

Step 4.1.2 Select **Details**.

VSS displays the Solicitation Response page.

Step 4.1.3 Select **Respond Online**.
You can respond to a solicitation by selecting **Respond Online** on the Solicitations Details page found within the Solicitations tab. This navigates you to the Solicitation Response page where you can enter your response.
There are five (5) steps in the Respond to Solicitation process.

1. Respond to Lines
2. Criteria Response
3. Attach Your Files
4. Discounts/Comments
5. Review/Submit

Step 4.1.4 Select the appropriate Response Type option from the Response Type dropdown. (Example: Bid)

If indicated enter the Unit Price and Delivery Days for each commodity line. Alternatively, you can enter the Contract Amount if indicated. You can also enter Comments in the Comments field. If Specifications are populated and you have alternatives you can select the Alternative Specs Submitted flag and attach any specifications to the Solicitation Response in Part 3: Attach Your Files.

Step 4.1.5 Select Go to Step 2.

VSS transitions to the Criteria Response page.

Step 4.1.6 Enter appropriate information for Criteria Response.

This section will contain specific criteria on which the response will be evaluated. Some criteria may have a required response and must be completed before the response can be submitted. If the response type is Text and there is insufficient room in the field to
Step 4.1.7 Select Go To Step 3.

VSS transitions to Attach Your Files page.

Attach relevant files to the response. Allowable file types are: .doc, .docx, .pdf, .xls, .xlsx, .zip, .jpg, .txt, .xps and .bmp. Attachment file size is limited to 6 MB per document.

Step 4.1.8 Select Go to Step 4.
VSS displays the Discounts/Comments page.

The Discounts/Comments page is used to add Net discounts and make overall comments regarding the Solicitation.

Step 4.1.9 Select **Go to Step 5**.

VSS transitions to the Review/Submit Response page.

Step 4.1.10 Review your Solicitation Response information.
Step 4.1.11 Select **Submit** to submit your Solicitation Response.

VSS displays **Response Submitted Successfully** page.

Your response has been submitted. You may modify the response any time prior to the Solicitation Close Date/Time. This will be covered in Section 5 Solicitation Responses.
Section 5: Review and Modify Solicitation Responses

Step 5.1 Select the **Solicitation Responses** tab.

VSS displays the Solicitation – My Responses page.

The My Online Response page is organized into the following sections:

- **Error Summary**: Displays error messages related to your response and allows you to ask questions about the error. This section is only displayed when there are messages related to the response. Click “View All Details” to view multiple messages. Click “Submit Question” to submit questions about your response, Clarification Requests and/or any error message you are receiving.
- **Time Left Summary**: Displays the amount of time left to respond to the Solicitations.
- **Solicitation Summary**: Displays the Solicitation summary and the attachments associated with it.
- **My Response**: Respond to the solicitation.

There are seven sub-tabs under the Solicitation Responses tab. Below is a description each tab:

- **All Responses**: Lists all of the responses that have been created by the vendors.
- **My Recent Responses**: View all responses created within the past 7 days.
- **In Progress Items**: View responses that have a Response Status of Draft and a Solicitation Status of Open.
• Closing Soon – View responses for solicitations closing within the next 7 days.
• My Awards – View responses that have been awarded to you.
• My Intents to Award – View responses that are intended to be awarded to you.
• Recent Closings – View responses for a solicitation that have closed within the past 7 days.

Step 5.2 Select the Response you would like to Modify. VSS displays the My Online Responses page.

Step 5.3 Select Edit.
Step 5.4 Make necessary changes for the Response.

Step 5.5 Select **Submit** to submit your Response.
Section 6: Catalog Management

Catalogs are a means for the State to upload a large number of items via a preset Excel file format. Vendors may need to provide the items, description, part number, unit price etc., if required by the State. If the Solicitation does not call for catalog bid submissions or if you have not been awarded a Catalog Master Agreement then skip this section.

Step 6.1 Select the **Catalog Management** tab.

A summary of all Catalogs can be found by selecting the Catalog Search sub-tab that is found under the Catalog Management tab. Catalog Search list contains all Catalogs. From here, you can view summary and detailed information about the Catalogs. You can refine your search for Catalogs by selecting one of the following quick links:

- All Catalogs - View all Catalogs in the system. This is the default view.
- My Catalogs - View Catalogs only in your catalog file.
6.1: Search for Existing Catalogs

Step 6.1.1 Select the **Advanced Search** link.

VSS displays Advanced Search option fields.

You can refine your Catalog searches by using the Advanced Search link on the Catalog Search page. Selecting the Advanced Search link allows you to narrow your search using the following search criteria:

- **Keyword Search** - Narrow the search using a term in the text field. The Keyword Search scans the Catalog Number, Supplier Part Number, Vendor, Alias/DBA, Item Description, Manufacturer, Manufacturer Part Number, Unit, Unit Cost, and Image for the keyword.
- **Vendor Name** - Allows you to narrow the search by entering one Vendor Name in the field to display all solicitations with the selected Vendor Name.
• Supplier Part Number - Narrow the search by entering one Supplier Part Number in the field to display all solicitations with the selected Supplier Part Numbers.
• Manufacturer - Narrow the search by entering one Manufacturer in the field to display all solicitations with the selected Manufacturer.

Step 6.1.2 Enter your information in the Advanced Search fields.

Step 6.1.3 Select Go to perform the search.

VSS displays results based on search criteria.
6.2: Catalog Upload

Step 6.2.1 Select the **Catalog Upload** sub-tab.

VSS displays the Upload Catalog File Instructions page.

Step 6.2.2 Enter your information in the General Information required fields.

Catalog File Type is always equal to Excel File.

Step 6.2.3 Select **Browse** to search for Catalog file.
Step 6.2.4 Retrieve your Catalog file from file location.

VSS populates the Catalog File Name field with your file.
Step 6.2.5 Select **Upload**.

If any errors are encountered, the catalog file is not uploaded and all errors are displayed. Please fix any errors in the catalog file or the picture zip file and select the **Upload** again. If no errors are encountered, and the catalog file is uploaded successfully, an email is sent to the Catalog Administrator and Vendor Contact in the General Information section.
After successful upload, the State of Michigan will create the award document that the catalog will be attached. You will receive separate email notification when that process is completed.
Section 7: Foreign Vendor Account Registration

Please note that foreign vendors without a valid U.S. or Canadian address will need to send a completed W-8 form (available on the VSS Home Page) to the SIGMA Help Desk by fax 517-763-0300 or email SIGMA-Vendor@michigan.gov to register with the State of Michigan. If you have any questions, please contact the SIGMA Help Desk at 1-888-734-9749.

Step 7.1 Select **Register** to create new account.

Step 7.2 Review and select **Accept Terms** to accept the agreement or **Reject Terms** to reject agreement.

VSS returns to the VSS Home Page when **Reject Terms** is selected.
Step 7.3 Select **Next** to continue or **Back** to return to previous screen.

Step 7.4 Use either of the two (2) fields under **Company Search** or **Individual Search** to enter your information.

Step 7.5 Select **Search** to search for an Existing Account.
If no results are found, continue on to Step 7.6. If results are found, follow steps in State of Michigan Activate Existing Account User Guide.
Step 7.6 Select **New Registration** to begin registration.

Step 7.7 Enter User Information in General Information. Required fields are marked with an asterisk:
Step 7.8 Enter your Password information in the Password section.

Passwords must be between 8 and 16 characters. Password must contain a number, an upper case letter, a lower case letter and one of the following symbols: @ $ # %.
The password cannot contain the User ID and it cannot contain the word password.

Step 7.9 Select Next to continue.

Verify Email Address is correct.

Step 7.10 Select Next.

Step 7.11 Select “Close Browser”.
