 *MDOT Aeronautics/TSC, 2700 Port Lansing Rd., Lansing, MI 48906

Thursday February 16
Tuesday March 7*
Tuesday March 14
Thursday April 20
8:00AM - 12:00PM
Registration starts at 7:30 AM

Contractors and inspectors need to know the Americans with Disabilities Act (ADA) and the standards set by the Access Board to keep municipal infrastructure projects compliant. Experts from the Michigan Department of Transportation (MDOT), the Federal Highway Administration (FHWA), the Michigan Concrete Association (MCA), and county road agencies will teach proper design, planning, and construction procedures for complying with ADA requirements. *New this year:* MDOT Work Zone Delivery Engineer Chris Brookes will provide updates on MDOT specifications for work zone safety and FHWA regulations.
