Center for Technology & Training Webinar Policy:

You must be registered for this webinar if you would like to receive a certificate of attendance. If you have not already registered, please register online or contact the GLEIC before the end of, or immediately after the webinar to complete your registration. Those who sign the sign-in sheet but do not register will not receive a certificate. Please fax or email this sign-in form within 24 hours of the webinar start time. Sign-in forms received after the deadline will not be accepted.
