

# Highway Maintenance Conference

## PRE-CONFERENCE WORKSHOP

**April 30, 2019**  
**Shanty Creek Resorts**  
**Bellaire, Michigan**

The HMC Pre-conference Workshop, Implementing Safe Work Zone Operations, provides training on implementing the Manual on Uniform Traffic Control Devices (MUTCD) for short-duration, mobile, and flagged operations, including daily lane closures. It emphasizes the use of standard operating procedures for implementation and focuses on common strategies to improve operational safety, effectiveness, and efficiency.
