

LEELANAU COUNTY ROAD COMMISSION
NON-MOTORIZED FUNDING
February, 2023

LEELANAU COUNTY ROAD COMMISSION

How do you address the required 1% of MTF for non-motorized spending?

- Historically used pavement of shoulders
- Cost-shared shoulder construction in 2019
- In-kind work to upgrade trail crossings

LEELANAU COUNTY ROAD COMMISSION

Do you have trouble meeting this requirement?

- No

LEELANAU COUNTY ROAD COMMISSION

Do you partner with other agencies in your area, and if so, how?

- Partnered with Township which received funding from:
 - TC Cycling Club,
 - DALMAC Fund,
 - Tri-County Cycling
 - Leelanau Township Community Foundation and
 - Leelanau Township.
- Applying for TAP grant in partnership with Township
- In-kind work to upgrade trail crossings for TART (Act 51)

LEELANAU COUNTY ROAD COMMISSION

Does your county have a non-motorized plan? If so, how was it developed? What are your future non-motorized goals?

- No, however we have extensive regional plan
- Focus more on partnering and supporting existing organizations
