Introduction to Roadsoft

Hands-On Training

Tuesday, October 31st, 2017 8:30 am to 3:30 pm EST Crowne Plaza Lansing West, 925 South Creyts Road, Lansing, Michigan, 48917

Registration:

Register online

Fees: \$55 per person

Includes continental breakfast and lunch

Registration begins at 8:00 am

Training Topics:

- Map interface, legends, filters, and reports
- Road, Sign, and Culvert modules
- Information collection with the Laptop Data Collector
- Introduction to Safety Analysis and using crash data
- Managing your Roadsoft data

You will need:

- A laptop with the latest version of Roadsoft installed
- Microsoft SQL Server installed
- A database created

If you need the Roadsoft software, please email us at roadsoft@mtu.edu, or call the CTT office at (906) 487-2102. Also contact us if you do not have access to a laptop computer, the CTT office has a limited number of laptop computers available for reservation.

Questions? Email us at ctt@mtu.edu

Instructors:

Mary Crane is a senior software engineer with 28 years of experience in computer programming. She has been with the Center for Technology & Training (CTT) since 2006. Her foci have been the Safety Module and the TAMC reporting processes. She also provides technical support and helps conduct Roadsoft trainings. Crane has a Bachelor of Science in Computer Science from Michigan Technological University.

Byrel Mitchell is a software engineer at the Center for Technology & Training (CTT). He joined the CTT in 2015 and has been working on Roadsoft development. Mitchell graduated from Trine University and has a Bachelor of Science in Mechanical Engineering, Computer Engineering, and Mathematics.

The Center for Technology and Training's (CTT) continuing education policy is available here. Additional training opportunities are available here. For fulfillment of continuing education requirements, attendees must be registered online.

No-shows or cancellations within three business days of the conference will be charged the full registration fee. Substitutions will be accepted.
